Section: Irresistible Holiness

#### **Chapter 17 “Depart From Evil” for this week.**

*Children, fear God; that is to say, have a holy awe upon your minds to avoid that which is evil, and a strict care to embrace and do that which is good..*

—William Penn

The fear of the Lord is a gift from our loving heavenly Father that protects us from departing from Jesus. He is the source of everlasting life, love, joy, peace, goodness, hope, and all its many wonders. To depart from Him is to move toward death, darkness, and eventually the eternal grace. We are told, “By the fear of the Lord one departs from evil” (Proverbs 16:6).

*My dear friends, you have always obeyed God when I was with you. It is even more important that you obey now while I am away from you. Keep on working to complete your salvation with fear and trembling. Phillipians 2:12 NCV*

It is by the fear of the Lord that we depart from evil, not by the love of God. The love of God draws us to Him, the fear of God keeps us from the evil that seeks to destroy us.

### **WATER BAPTISM**

We will be scheduling a water baptize in the next week. All candidates should touch base today with Pastor today or this week.

### IS IT WELL WITH YOUR SOUL?

And how does a man benefit if he gains the whole world and loses his soul in the process?

For is anything worth more than his soul? —Mark 8:36–37 (TLB)

In the world in which we live, we give most attention to satisfying the appetites of the body and practically none to the soul. Consequently, we are one-sided. We become fat physically and materially, while spiritually we are lean, weak and anemic. The soul actually demands as much attention as the body. It demands fellowship and communion with God. It demands worship, quietness, and meditation. Unless the soul is fed and exercised daily, it becomes weak and shriveled. It remains discontented, confused, restless. Many people turn to alcohol to try to drown the cryings and longings of the soul. Some turn to a new sex experience. Others attempt to quiet the longings of their souls in other ways. But nothing but God ever completely satisfies, because the soul was made for God, and without God it is restless and in secret torment.

**Prayer:** Dear Lord, I thank You that when my soul cried out for forgiveness and love, You were there. Today help me to live as Your child should.

### Rosh Hashanah 5786

As Rosh Hashanah 5786 approaches, believers are entering a season rich with prophetic meaning. The feast of trumpets is not merely a ritual on the biblical calendar but a divine appointment calling the church to awaken, to unite and to align with God's covenant purposes.

**A Prophetic Word for This Year**—Rabbi Kurt Landry of House of David ministries believes this year marks a pivotal shift. "I had prophesied at Gloria Zion at House of David, that the biblical year 5786, the 6, the number of man, that it would be the release of the one new man or in Hebrew, one new humanity reformation," Landry said. This "one new man" vision points to Jew and Gentile becoming one in Messiah, echoing the reforming power of Martin Luther's challenge to the church but centered on unity in Christ. "The revelation that's coming in biblical year 5786 is the power of the one new man," he said.

**The Enemy's Counterattack**—Landry connected this prophetic word to the surge of hostility against Israel. "Look at the rise in the last 24 months of anti-Semitism in not just in Europe but in the United States," he noted. He warned that Satan is using deception to sever Christians from God's blessing. "Satan is trying to separate the church from his Genesis 12:3 blessing. If you're blessing Israel, you'll be blessed. If you're cursing Israel, you'll be cursed." This separation, he said, strips the church of its power. "The best way for Satan to stop the power in

the signs and wonders and the evangelists and the outreaches is get him to curse Israel. And guess what? There is no power because God will not bless something that's cursed."

**The Key of David**—The answer, Landry explained, is found in the biblical promise to the church of Philadelphia. "In Revelation it says the church of Philadelphia has holiness, has truth and the key of David. Well, the key of David is the one new man. It's Jew and Gentile coming together, one in Messiah. The key of David is the key to miracles." This church alone was promised a share in Christ's rule during the millennial reign. That promise, he said, belongs to those who align with God's covenant with Israel and embrace the unity of the one new man.

**Why This Feast Matters**—Landry described this Rosh Hashanah as "the most important one that I've ever been a part of in my life." The trumpet blast, he explained, is more than tradition. "We believe biblically and in the Hebrew culture this is the sound of this is the voice of God. This shofar blast is going to bring Jew and Gentile, one new humanity together."

**A Call to Discernment and Focus**—As the season begins, Landry urged believers to resist distractions and offenses. "Once you make a decision to do something you have to follow through," he said.

This feast of trumpets is a call to stand united, bless Israel and prepare for the return of the Lord. Now is the time for discernment, commitment and focus on what God is doing in the earth.

### **Celestial Awakening: Are the Moon and Venus Signaling God's Prophetic Plan?**

The heavens continue to shine bright amid a year of celestial phenomena.

According to USA TODAY, there are three celestial objects forming in conjunction visible for Friday Sept. 19 before the sunrise and after sunset.

Unlike normally, the moon, Venus and the star Regulus, will shine thoroughly to take over the skies across America. As the outlet discussed this conjunction means that these objects appear close together.

The cause of this phenomenon happens as the orbital path of these objects bring them closer to each other. What is fascinating about this celestial event is that it is taking place at the same time as the "planet parade." As Charisma Media reported, we are currently in a time frame where Jupiter, Venus, Neptune, Uranus and Saturn are lining up with one another and can be seen with the naked eye. In August, Mercury was also part of this planetary alignment. During this time, Neptune is supposed to come into its "annual opposition" on Rosh Hashanah on Sept. 23.

It is of the Lord's mercies that we are not consumed,  
because his compassions fail not. They are new every  
morning: great is thy faithfulness. [Lamentations 3:22-23 \(KJV\)](#)
