**Movie Tonight 6pm****WAR ROOM**

Come early to have your popcorn & drink ready before the Movie starts at 6pm.

Released: August 28, 2015

Tony and Elizabeth Jordan have it all—great jobs, a beautiful daughter, and their dream house. But appearances can be deceiving, their world is actually crumbling under the strain. While Tony basks in his professional success, Elizabeth resigns herself to increasing bitterness. But their lives take an unexpected turn when Elizabeth meets her newest client, Miss Clara, and is challenged to establish a “war room” and a battle plan of prayer for her family. As Elizabeth tries to fight for her family, Tony’s hidden struggles come to light. Tony must decide if he will make amends to his family and prove Miss Clara’s wisdom that victories don’t come by accident.

The movie encourages a active life with the Lord, a planned prayer life to attack the struggles we face, and for the love ones in our life. We all need each other to support and prayer for each other as we face life’s events.

**HIS INDWELLING PRESENCE – BILLY GRAHAM DEVOTION**

*... to know the love of Christ, which passeth knowledge,
that ye might be filled with all the fullness of God. Ephesians 3:19*

To appreciate art, one must either be born with an artistic sense or develop it by training. Only a relatively few people have an innate sense of color, form, and harmony. To such, a love for art comes naturally. Without an artistic appreciation in one’s soul, visiting an art gallery can be a boring affair. Likewise, to appreciate good music one must have music “in him” or develop it. Without a sense of music appreciation, it is possible to sleep through a symphony concert or a performance of the Metropolitan Opera. So it is with the things of God.

Talk about God can become dreary and lackluster if God isn’t in you. Church can become a drab thing and the Bible an irksome Book if the Holy Spirit does

not illuminate your soul with His indwelling presence. The wonderful thing about it all is that God has planned life so that if our hearts are dead to spiritual things, something can be done about it.

Prayer: Lord God Almighty, may I daily reach out to You and be filled with the love of Christ.

MOST OF THE THINGS THAT WE RUN FROM,
ARE THE VERY TOOLS THAT GOD INTENDS TO USE TO CHANGE US.

VISIONS OF JESUS: MANY MUSLIMS TURNING TO CHRIST

Every time there's a war, there's a great movement toward Christ. People become disillusioned with the world and with religion that causes war. Khamenei in Iran and Bin Laden – those two made a huge difference for the gospel because they gave false hope.

He has also observed that many who leave Islam for Christianity encounter Jesus through dreams or visions. That includes Kurdish Ministry Director Pastor Nihad, who says he experienced a vision of Jesus while imprisoned by the Syrian government for political reasons.

"I could not move inside my cell, which was less than a meter wide," Pastor Nihad recounted. "My hands were numb, and my body was in so much pain. I remembered reading about Jesus healing the lame, so I told Him, 'Jesus, if You are real, help me.'"

"I saw in a vision a person in white entering my prison cell carrying a bowl of olive oil. Every time He poured oil on my body, the pain went away."

"During that time, I was deeply depressed because no one could help me get out of prison. I wanted to die. But the person in white told me, 'You are My beloved, and I love you so much.' Until now, those words continue to comfort me."

2,552 Baptized on Florida Beach

A Jacksonville, Florida church is reporting a historic turnout after 2,552 people stepped into the Atlantic Ocean to be baptized as they publicly declared their faith in Jesus Christ.

Jesus Tent Revival Sweeps the Nation

A modern-day tent revival, nine years in the making, is on the move across the nation, complete with reports of record salvations and baptisms. Organizers of the [Jesus Tent Revival movement](#) say it's shifting the nation's spiritual landscape. It started back in 2019, during a powerful event in Kokomo, IN.

"People come in underneath that tent that walked in as atheists, walked in as Buddhists, walked in as Muslim," Dr. Braden Andersen, founder of Jesus Tent Revival.

The ministry partners with local churches that host the revival to provide coordinated follow-ups after each service. Pastor Tim Sullivan of The Pentecostal Church in Fort Smith, AR, has seen the hand of God at work in the tent revivals.

"I looked, and our neighbor had walked across from the neighborhood across the field, and he said, 'I've not been to your building, but I wanted to come to this tent revival,'" said Sullivan. "And that night he was baptized and saved. And I thought that was so special that all the years that he had lived in close proximity to the church building, but he had not attended a church."

Many who attend the tent meetings testify about receiving newfound freedom. "He saved me from selling drugs, doing drugs, fornication." explained Matthew Stewart. An unnamed woman commented, "I was a girl who was just broken and lost. I was empty, and then I got into this atmosphere where the Lord filled me with the Spirit." A hallmark of the tent revival has been the record number of spontaneous baptisms, with lines so long they're conducted before, during, and after the services.

You cannot walk in the fullness of Christ and live on five-minute devotions. David Wilkerson

JESUS IS MATCHLESS – BILLY GRAHAM DEVOTION

You have your life through Christ Jesus. He showed us God's plan of salvation; he was the one who made us acceptable to God ... 1 Corinthians 1:30 (TLB)

More and more I am becoming aware of the truth that people change people as much as ideas change people. The power of personality is strong. One could find many illustrations to prove that often personality is greater than the idea. Such is the case with Christianity. The secret of the power of Christianity is not in its ethics. It is not in Christian ideas or philosophy, although Christianity has a philosophical set of ideas. The secret of Christianity is found in a Person, and that Person is the Lord Jesus Christ. Men have discovered other philosophical and ethical systems, but they have not found another Jesus Christ. No one in history can match Him.

Prayer: When I tell others of Your love, help me to hide my personality in Yours, Lord Jesus.

Peter replied, "Repeat and be baptized, every one of you, in the name of Jesus Christ for the forgiveness of your sins. And you will receive the gift of the Holy Spirit Acts 2:38 NIV"
