Movie Night — Tonight — 6pm

Showing **God's Not Dead - A Light in Darkness**.

A Light in Darkness is a metaphor for faith, hope, and compassion shining through hardship, conflict, and moral darkness, inspiring others to remain steadfast in their beliefs even when faced with loss, opposition, and societal resistance.

The church has been too silent, and we are fighting giants that should have never been allowed in previous generations to advance.

Wednesday Bible Study – The Court of Heaven – Robert Henderson

This past Wednesday night we were presented with the "Three dimensions of prayer: approaching God as father. friend. and judge." Approaching God as father opens the dimension of the spirit called the secret place. Approaching God as friend is coming before God on behalf of someone else (intercession), called the Council of the Lord. Approaching God as the Righteous Judge. We desire to pray and allow God to bring understanding and revelation.

Where is Heaven? – Billy Graham Devotion

I appoint unto you a kingdom, as my Father hath appointed unto me. – Luke 22:29

Many people have asked, "Where is heaven?" We are not told in the Scripture where heaven is. Some students have tried to take some Scriptures and put them together and say that heaven is in the north. They quote Psalm 48:2, "The joy of the whole earth is . . . on the sides of the north . . . " The magnetic needle points north. Perhaps the Celestial City is in the north. We do not know. But no matter where heaven is, it will be where Christ is.

Many people ask, "Do you believe that heaven is a literal place?" Yes! Jesus said, "I go to prepare a place for you." The Bible teaches that Enoch and Elijah ascended in a literal body to a literal place that is just as real as Los Angeles, London, or Algiers! The Bible also teaches that heaven will be a place of beauty. It is described in the Bible as "a building of God"-"a city"-"a better country"-"an inheritance"-"a glory."

The Bible also indicates that heaven will be a place of great understanding and knowledge of things that we never learned down here.

***Prayer**: Living Lord Jesus, the knowledge that You have prepared a place for me in heaven brings comfort and delight to my soul!*

Franklin Graham Sees 'Pockets of Revival' in UK

Franklin Graham, who just saw a massive crowd respond to the Gospel in Manchester, believes God is up to something big, as many Christians are praying for a full-blown revival to hit the UK. More than 10,000 people packed the arena in Manchester, and over 800 of them gave their lives to Christ.

Amy Reonnah, a 19-year-old who put her faith in Christ at the event, said, "When I walked forward and prayed, it felt really amazing—as if someone touched my

soul—and I really felt God's presence."

"There's supernatural Holy Spirit-filled power in the gospel of Jesus Christ. When you tell a person that they're sinners, and they have to repent and put their faith and trust in Christ, in Him alone, there's power in that," Graham shared.

The Billy Graham Evangelistic Association reports Christians from nearly 600 evangelical churches invited people to hear the hope of the Gospel in Manchester, and they booked seats on a fleet of more than 200 buses to bring people to the arena.

Thousands Seek Christ at Revival Event in San Diego

The Gospel is alive and well in California as more hearts are awakening to God. Thousands gathered along the Pacific coast in Oceanside, California, for the event, declaring faith in Jesus through worship, prayer, evangelism, and powerful oceanfront baptisms.

Thank You, Jesus! Every baptism represents a life changed, a heart surrendered, and a YES to following Him!!" the Movement San Diego group declared. The massive multi-church evangelistic gathering took place Saturday, October 17.

The California-based Baptize the World group has been on a similar mission to stoke the fires of revival in the state. While that baptism movement isn't technically connected to the Movement San Diego group, they share the same mission.

School District Must Reportedly Pay $275K-Religious Freedom Lawsuit

LifeWise Academy has achieved a major religious liberty victory in Washington state. A public school district has reportedly agreed to settle a lawsuit that accused the district of discriminating against the Bible education program.

First Liberty Institute confirms the Everett School District in Washington will pay approximately $275,000 in attorneys' fees, issue a public apology, and undergo religious liberty training following a legal battle over policies that LifeWise Academy argued unfairly targeted its program.

A federal judge had stepped in to temporarily halt any anti-Christian discrimination being waged against LifeWise by the school district.

LifeWise Academy founder Joel Penton said the development represents a significant victory for religious freedom, and he's hopeful it will lead to better relationships with many public schools. Penton also highlighted that the organization did not seek a legal battle but only took the action to ensure equal treatment. It's important for believers to stand up for constitutional rights, noting, "For the sake of kids having the ability to study the Bible during school hours, we're going to say something."
